Overnight water service shutdown scheduled in Kapa'a on April 21-22

KAPA'A - The Department of Water (DOW) announces an overnight water service shutdown to allow contractor, Grace Pacific, LLC to conduct waterline replacement work. Water service will be turned off to a portion of Hau'a'ala Road from Moa Road to Keapana Road, and includes Makamaka Street, Keapana Road, Mailihuna Road, Silva Road, Kolohala Road and a portion of Kawaihau Road between Hau'a'ala Road and Nunu Road in Kapa'a on Thursday, April 21, from 9 p.m. to 5 a.m. April 22, weather permitting.

Additionally, customers located on Pelehu Road, Nunu Road, Iwaena Road, I'iwi Road, Mimilo Road, Iwaena Loop and a portion of Kawaihau Road from Nunu Road to Iwaena Road can expect low water pressure during the service shutdown.

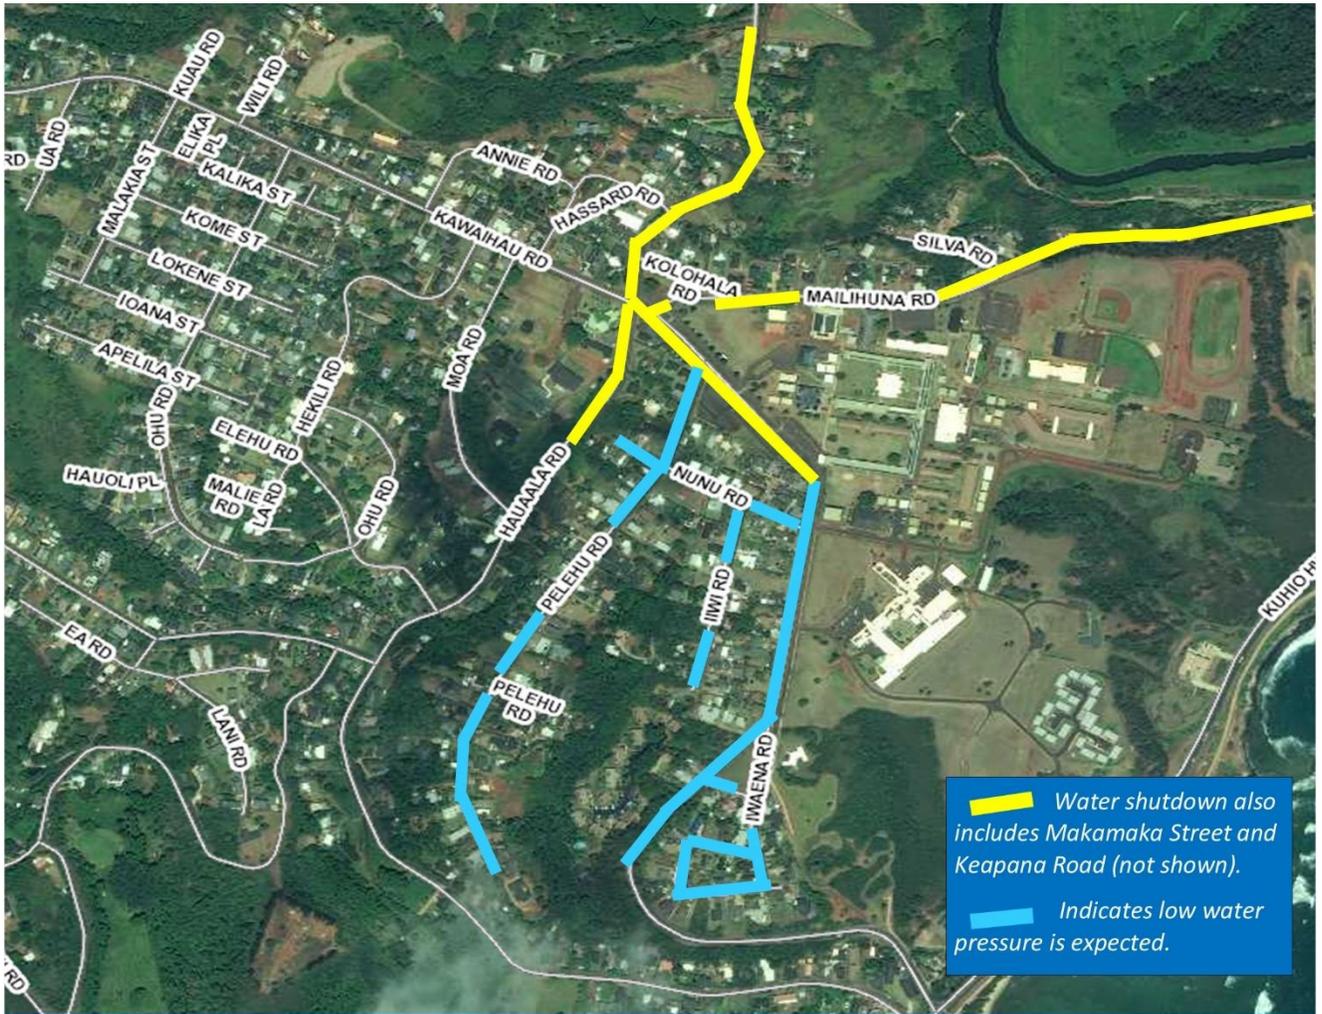

Road work and intermittent lane closures may also be in place to create a safe work zone in the area. Motorists are advised to adhere to traffic signs and flagger personnel.

Customers located within the service area are advised to prepare for the water service shutdown by taking the following steps:

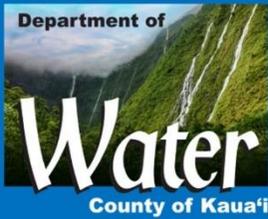

- Store water to meet their needs until water service can be restored.
- Notify neighbors, family and friends of the water service shutdown.
- Those with faulty water heaters should ensure their water heaters do not empty during the shutdown.
- Monitor water service updates online at www.facebook.com/KauaiDOW.

For more information, please call the Department of Water at 245-5461.
